### Job: Imagery of Padang

**Description**

HOT purchased imagery for Padang because only Landsat was available. We would like to digitize all the buildings in the areas as well as roads.

**Workflow**

Add tile service

tms[18]:http://tile.kompetsiosm.org/b/{zoom}/{x}/{y}.png to your editor of choice

Trace all roads and buildings in the square assigned.

You are currently working on 51043 - 32606
