

2022 AMOS Dialogue Verification of Space Activities

Thursday, September 29, 2022
0915 HST / 1515 EDT / 2115 CEST

The Wailea Beach Marriott Resort & Spa
Mauna Loa Room

0915 **Welcome and Introductions**
HST

Brian Weeden, Director of Program Planning, Secure World Foundation (SWF)
Round-the-table introductions
Recap of Previous Dialogues

0930 **Session 1 - Overlap Between SSA and Arms Control/Verification**

Discussion of how the SSA community thinks about monitoring/tracking of space activities and how the traditional arms control community has viewed verification. Analysis of gaps in current capabilities and differences in perspectives.

Moderator - Brian Weeden, SWF

1015 **Break**

1030 **Session 2: Verifying OEWG Concepts**

Discussion of some of the leading concepts arising from the work of the UN Open Ended Working Group on Space Threats and how they might be verified using a variety of SSA capabilities.

Moderator – Victoria Samson, SWF

1115 **Conclusion**

Brian Weeden, SWF
Leslie Wilkins, President, Maui Economic Development Board

1130 **Adjourn**
